Saturday:

Practice like you've never won; perform like you've never lost.

Wear: NMB black t-shirt, athletic shorts. LONG BLACK SOCKS.

First show of the year, this is exciting! Breathe the corners: inhale, hold, exhale, hold. Control your nerves and use the adrenaline to your advantage. We have a great show, a lot of fun and energy, now we need to transfer that energy up into the stands! **Chin up, eyes up**, outstanding **breath support** from winds, front ensemble members **connect** your body **to the music**, drumline show the **control** you have.

When we arrive by 6:00, we'll have a few minutes to finish snacks but we'll need to get ready to begin quickly. We will not be able to watch any of the early bands but can sit on home side after our performance and watch the later bands including Miami University.

After the performance we will change out of uniforms back into "comfortable" school appropriate clothing with show t-shirts. Everyone sits together on home side. You may visit the concession stand or restroom as you need. During awards, be sure to be in the stands with the group. After awards we walk to the busses together.
